

Oren Buskila

Vice President of Research and Development & Co-Founder

Oren is a seasoned technology leader with over 15 years of experience in leading large-scale R&D organizations and designing complex electro-optics and communication systems.

Prior to co-founding Innoviz, Oren was responsible for the HW system design at ConsumerPhysics, as well as for managing the company's launch of its first consumer product and leading several development and design projects. Oren served 7 years in the elite technological unit of the Intelligence Corps of the Israel Defense Forces, where he carried out positions of project manager, system engineer and hardware engineer. His service earned him the prestigious Head of Military Intelligence Directorate Award.

Oren holds a BSc in Physics, a BSc in Electrical Engineering, an MSc in Electro-optical Engineering and an MBA, all from Tel Aviv University and all summa cum laude.
