

Omer David Keilaf

CEO & Co-Founder

Omer has spent over 15 years driving cutting edge technologies from inception to commercialization.

Before founding Innoviz Omer led the system and product definition efforts at ConsumerPhysics, building the world's first handheld molecular sensor for mobile devices. Previous roles include leading the system architecture and engineering teams at bTendo (acquired by ST Micro) and Anobit (acquired by Apple).

Omer spent 7 years in the elite technological unit of the Intelligence Corps of the Israel Defense Forces, where he served in leading and critical roles involving large scale technological systems.

He holds a BSc and MSc in Electrical Engineering and an MBA, all from Tel Aviv University.
